BEXLEY JUDOWAI HEAD COACH WINS AWARD!

Dave Dunsford was put forward by parents/players and coaches for all his tireless hard work they wrote letters into the BJA who then went through all the nominations and choose a Volunteer of the Year. Dave was chosen by a panel from the BJA who said 'He was a worthy winner and obviously well thought of by all his parents'. Dave received a phone call from Simon BATTERY (BJA volunteer development officer) last week to tell him the good news and Dave was totally surprised at his nomination still saying it was down to the coaches and parents of his class who deserve the award. Dave and Louise were going to the GB womens world cup anyway so being asked to attend the dinner awards is a bonus.

WELL DONE DAVE FROM ALL AT THE CLUB.

Louise Dunsford
